ABOUT THE COMPANY

DemirDöküm is a leading HVAC manufacturer in Turkey with over 68 years of experience, offering energy-efficient, reliable, and easy-to-install heating and hot water solutions.

PRODUCTS AND SERVICES

- Panel radiators
- Wall-hung boilers
- Electronic storage water heaters
- Gas water heaters
- Cast iron radiators
- All products are CE-certified, ensuring high quality and safety

ABOUT THE COMPANY

Caloree is a manufacturer of steel panel radiators and towel driers, established in 2005. The company offers a wide product range and continues to expand its portfolio with new technologies, including upcoming wall-hung boiler production.

PRODUCTS AND SERVICES

- Steel panel radiators
- Steel towel driers
- Wide range of heating solutions

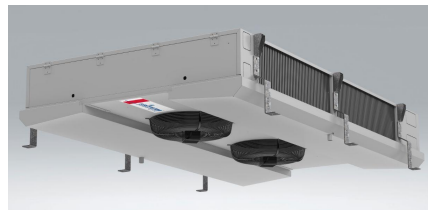

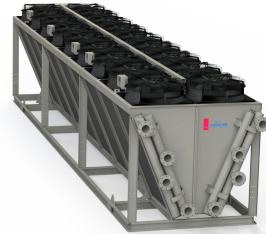

ABOUT THE COMPANY

Friterm designs and manufactures high-performance heat exchangers, air-cooled condensers and dry coolers for global markets, delivering reliable, certified solutions for industrial and commercial refrigeration.

PRODUCTS AND SERVICES

- Heat exchangers
- Dry Coolers
- Oil Coolers
- Air cooled condensers
- Evaporators

ABOUT THE COMPANY

ThermoWay is an engineering company operating in the HVAC sector, specializing in the production of heat transfer equipment. They deliver project-specific solutions and focuses on energy efficiency and sustainability, maintaining a competitive position in both domestic and international markets.

PRODUCTS AND SERVICES

- Evaporators
- Condensers
- Dry Coolers
- Blast Freezers
- Oem Coils

ABOUT THE COMPANY

Founded in 1991 in Istanbul, FrigoBlock designs and manufactures ISO 9001 and CE certified industrial refrigeration systems, delivering customized, energy-efficient solutions worldwide.

PRODUCTS AND SERVICES

- Commercial and industrial refrigeration units
- Room air coolers
- Air- or water-cooled condensers
- Dry coolers,
- Blast freezers
- Air cooled water chillers
- Heat exchangers
- Ultrasonic humidifiers & heat pumps

ABOUT THE COMPANY

VatBuz is powerful as a designer and manufacturer of sophisticated, high quality commercial and industrial refrigeration equipment and introduces innovative, energy saving and original devices to the industry.

PRODUCTS AND SERVICES

- Package Type Air and Water Cooled water chillers with scroll and reciprocating compressors
- Air and Water Cooled water chillers with Screw compressors
- Air and Water Cooled water chillers with inverter driven Screw compressors,
- Air and water cooled Brine chillers,
- Oil cooling systems for hydraulic or heat transfer oils,
- Ultra low temperature freezers (down to 90°C)
- Environmental test cabinets with humidity control for testing purposes

ABOUT THE COMPANY

Niba is a manufacturer of GRP package-type water cooling towers, established in 1993. The company also provides installation, maintenance, spare parts, and engineering services, including inspection and repair of existing systems.

PRODUCTS AND SERVICES

- Cooling towers
- Water treatment systems

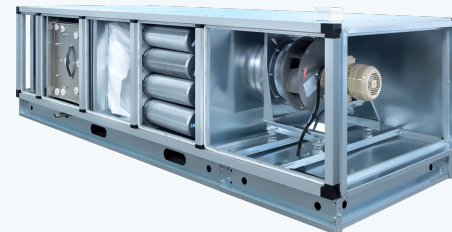

ABOUT THE COMPANY

VENCO is a global manufacturer of ventilation solutions, offering air handling units, heat recovery units, jet fans, axial fans, duct and roof fans, control panels, and electric heaters.

PRODUCTS AND SERVICES

- Air Handling Units
- Ecology Units
- Heat Recovery Units
- Axial Fans
- Axial Fire Rated Smoke Exhaust Fans (F300,2h & F400,2h)
- Axial Jet Fans (F300,2h & F400,2h)
- Radial Jet Fans ((F300,2h & F400,2h)
- Fans
- Duct and AHU Type Electrical Heaters
- Control Panels
- Dampers, Silencers and Fan Accessories

ABOUT THE COMPANY

VENTAS has been established in 2011 for production and equipment supply in heating, cooling, air-conditioning and energy efficiency areas. Production facility and headquarters office are located in Istanbul.

PRODUCTS AND SERVICES

- AHUs
- Hygienic AHUs
- FCUs
- Rooftop Units
- HRUs
- Duct Type and Roof Type Fans

ABOUT THE COMPANY

KLAS Air Conditioning Systems provide solutions with sustainable comfort and energy savings through ultimate quality products with innovative designs and integrated solutions.

PRODUCTS AND SERVICES

- Air Handling Units
- Rooftop Units
- Pool Dehumidification Units
- Packaged Hygienic Air Handling Units
- Ex-proof Air Handling Units
- Heat Recovery Units
- Fan Coil Units

ABOUT THE COMPANY

TREEMEC is an engineering firm that provides product supply, project design, service, and maintenance services in the fields of Heating, Cooling, and Ventilation (HVAC).

PRODUCTS AND SERVICES

- Fan
- Air Handling Units
- Fire Damper
- Smoke Damper
- Air Curtains
- Air Heater
- Heat Recovery Units
- Jet Fan
- VAV, CAV
- Diffusers

ABOUT THE COMPANY

Imbat is a HVAC manufacturer founded in 1991, specializing in the design and production of high-performance climate control systems for commercial, industrial, and critical environments.

PRODUCTS AND SERVICES

- Rooftop / Package Units
- Mobile HVAC Products
- Chillers
- Close Control Systems (CRAH, CRAC)
- Aviation Cooling Solutions,
- Others (Condensing Units, Remote Condensers, Microchannel Condensers)

ABOUT THE COMPANY

Azur Insulation is a global supplier of insulation and HVAC-R materials, backed by over 25 years of expertise in production, supply chain management, logistics, and international trade.

PRODUCTS AND SERVICES

- Technical Insulation Materials
- Rubber Foam Insulation Materials
- Mineral Wool Insulation Materials & Ceramic Wool Insulation
- Waterproofing Membranes
- Building Insulation Materials
- Flexible Air Ducts
- Duct Connection Accessories
- Ventilation Equipments
- Foam Tapes & Aluminum Tapes

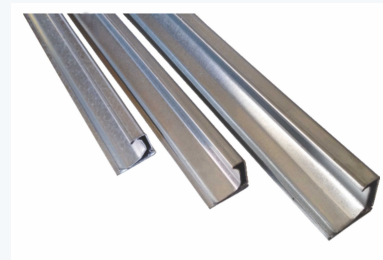

ABOUT THE COMPANY

Established in 1998, Karsac has been serving the HVAC sector with a commitment to quality, integrity, and competitive pricing. Karsac manufactures HVAC components and air duct systems, and exports its products to over 40 countries worldwide.

PRODUCTS AND SERVICES

- HVAC Component Products
- Duct Flanges
- Corner
- G Clamps
- Insulation
- Air ducts

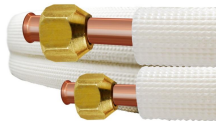

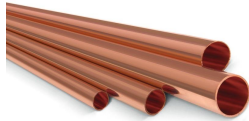

ABOUT THE COMPANY

Briscool is a company operating in the HVAC sector, specializing in the production of copper pipes, insulated products, and installation equipment, prioritizing high quality and customer satisfaction.

PRODUCTS AND SERVICES

- Insulated Copper Tubes
- Cables
- Montage Kits

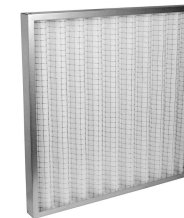

ABOUT THE COMPANY

Established in 2008 as a joint venture between General Filter Italy and Havak, General Filter Havak produces ventilation and air conditioning filters to European standards. Backed by advanced technology and expertise from its founding partners, the company holds ISO 9001:2015 certification and manufactures a wide range of high-efficiency air filters.

PRODUCTS AND SERVICES

- Air Filters
- Panel Filters
- Hepa Filters
- Bag Filters & Rigid Bag Filters
- Activated Carbon Filters
- Canister
- Elements and Systems

ABOUT THE COMPANY

Founded in 1992 in Istanbul, MGT Air Filter manufactures air filters for HVAC, gas turbine, and cleanroom systems. The company exports to 73 countries across five continents.

PRODUCTS AND SERVICES

- Air Filters
- Hepa Filters Prefilters
- Fine filters
- Carbon filters
- High Temperature filters
- Cleanroom equipments

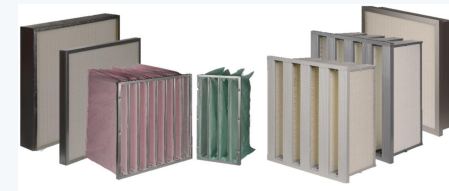

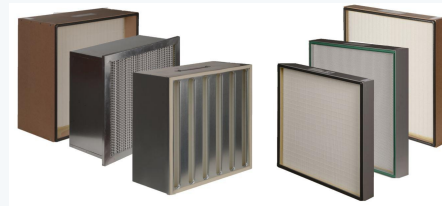

ABOUT THE COMPANY

Ulpatek is a leading manufacturer based in Istanbul, producing HVAC (coarse, medium, fine) and HEPA filters, laminar flow units, fan filter units, and HEPA boxes.

PRODUCTS AND SERVICES

- HVAC (Coarse, Medium, Fine) and HEPA Filters
- Cleanroom Equipment (Laminar Flow Units, BIBO Units, Fan Filter Units, HEPA Boxes, etc.)
- Dust Collector
- Vacuum Dust Collector

ABOUT THE COMPANY

Ekotek manufactures high-quality industrial boilers for diverse needs, offering innovative, efficient, and reliable customized solutions. They export to 30+ countries with strong engineering and global standards.

PRODUCTS AND SERVICES

- Air Filters
- Hepa Filters Prefilters
- Fine filters
- Carbon filters
- High Temperature filters
- Cleanroom equipments

WE WILL BE HAPPY TO SEE YOU AT THE EVENT!
