Unemployment rate – 8,1%

Employment rate – 74.9%

Average wage (gross) – EUR **1,130**

COSY TO LIVE IN

Kaišiadorys is located between the largest cities of Lithuania, i.e. Vilnius (67 km) and Kaunas (41 km).

Easily accessible by car and train. The roads are convenient to drive from Alytus, Prienai, Birštonas, Jonava, Elektrėnai and other cities.

Home, work and kindergarten or school will be a few kilometres away and you will be able to exchange traffic jams for time with family or favourite activities.

Infrastructure adapted to the needs of the residents

- Newly equipped and renovated pedestrian and bicycle paths
- Public spaces, parks and squares are being managed
- Apartment buildings are being renovated

Education

- Pre-school education institutions (kindergartens) meet the needs of everyone who wants to attend them
- Pre-school and general education institutions provide quality educational services
- At Kaišiadorys Education and Sports Services Centre and Kaišiadorys Art School, children can develop artistic skills and engage in various sports

Cultural life and leisure

- Kaišiadorys Cultural Centre, Kaišiadorys District Municipality Public Library and Kaišiadorys Museum regularly organize various cultural events for people of different hobbies and ages
- Those who like travelling can visit not only the attractions in Kaišiadorys, but also choose from 16 cognitive routes around Kaišiadorys region
- 18 cafes and restaurants in Kaišiadorys district invite you to have a delicious meal and have fun
- Sports clubs are waiting for sports enthusiasts
- In the warm season, you can relax on the beach by Girelė Pond II, just a few kilometres from the city centre

Social security

- The network of social services is constantly expanding, providing new social services according to the need
- Day social care services in a person's home are developed
- Day employment at children's day care centres is ensured

Social support is available, more information: <https://kaiiadorys.lt/gyventojams/veiklosritys/socialine-parama/1772>

Real estate

- Favourable wage to real estate ratio
- Young families can receive support for the purchase of housing

CONVENIENT TO WORK IN

Kaišiadorys district has well-developed **poultry** businesses, strong **wood** and **furniture** production companies, a wide network of trade and catering services and an actively developed business support infrastructure.

At the beginning of 2020, there were **482** small and medium-sized business enterprises and 2 large business enterprises in Kaišiadorys district municipality.

Largest employers: AB Kaišiadorių paukštynas, agricultural company Nematekas, public institution Kaišiadorys Hospital, UAB Gudobelė, Kaišiadorys District Municipal Administration, Kanaševičius individual company Desė, Kaišiadorys Social Services Centre, UAB Žiežmarių mėsa

Quota is applied to foreigners who have a profession for which there is a high demand in Lithuania.

The most demanded professions:

warehousing staff, advertising and marketing professionals, nursing professionals, salespeople, chefs, drivers of cars, taxis and vans, drivers of heavy trucks and lorries, bakers and confectioners, water suppliers and pipe fitters.
