

# Three Seas Summit and Business Forum

RIGA, LATVIA 2022 

June 20-21,  
2022

## Dive into the Three Seas Business Forum

Linking vision with action for  
future economy and secure  
connectivity

Become part of the 500 leading minds setting the agenda for digitalisation, energy, and connectivity in the Three Seas region.

The Three Seas Initiative is a politically inspired, commercially driven platform for improving connectivity between twelve EU countries located between Baltic, Adriatic and Black seas.

Over two days, participate in the Business Forum and attend tailored networking events, industry-defining panel discussions, and foundational keynote presentations from world leaders.

### WHY ATTEND?

#### > Be at the forefront of investment

With a projected GDP growth rate of 3.6% and an infrastructure deficit exceeding \$500B, you have a front-row view of the planned investments in major, economy-shaping activities in the region.

#### > Regional development trends

Amidst geopolitical and economic volatility, the Three Seas Region with its population of 111M and location on Europe's North-South axis has the opportunity to disrupt and shape the future economy. Gain first-hand insight into how this region is driving breakthroughs through innovation.

#### > Network with global changemakers

Meet like-minded, interested parties from around the world looking to participate in the development of the Three Seas Region. Strengthen your network with those who think and act big.

The Forum's main focus this year is driving the future economy through Sustainable Development, Purpose-Driven Innovation, and New Collaboration Models.

Among several ambitious goals, one of this year's aims is to strengthen the Three Seas Initiative Investment Fund through additional financial commitments.
