Embassy of Montenegro
Warsaw

N-132/2026-2

The Embassy of Montenegro in Warsaw presents its compliments to the Ministry of Foreign Affairs of the Republic of Lithuania and has the honour to inform about the AIM 2026 – Montenegro Investment Conference, *From Partnerships to Projects: Investing in Montenegro's European Future*, which will be held in Portonovi, Montenegro, 20-21 October 2026.

As Montenegro's flagship platform for connecting policy reform with international investment, AIM 2026 is co-organised by the Government of Montenegro and the European Commission, with the support of the Montenegrin Investment Agency. The Conference comes at a defining moment for Montenegro, as expanding investment opportunities converge with the country's rapid progress towards European Union accession.

AIM 2026 will convene the Prime Minister of Montenegro, ministers, senior representatives of the European Commission, leaders of international financial institutions, institutional investors, multilateral development banks, chief executives of leading international companies, and other distinguished stakeholders. Together, they will identify practical measures to mobilise capital, accelerate project delivery and strengthen Montenegro's competitiveness on its path to European Union membership.

The Conference will focus on converting strategic commitments into investment-ready projects and fostering partnerships that support Montenegro's sustainable and inclusive economic development. The programme will focus on strategic sectors including: renewable energy and energy storage, sustainable agribusiness, tourism and wellness, transport and logistics, and digital infrastructure and emerging technologies.

Participation is by invitation and, as places are limited, interest should be expressed through completing the registration form via the link or QR code (in the attachment) by **21 September 2026**.

The AIM Startup Competition (document attached) is the early-stage innovation pillar of the Accelerating Investment in Montenegro (AIM) programme, a joint initiative of the Government of Montenegro through the Montenegrin Investment Agency (MIA) and the European Union Delegation. It offers a structured route from early-stage application to high-visibility exposure, culminating at the AIM Investment Conference on 20–21 October 2026, where finalists will gather on the main stage and the winner receives an award presented by the Prime Minister of Montenegro, in the presence of EU representatives and international investors. The deadline to apply for the competition is 1st of September, 2026, via the online form. Applications already submitted remain valid and do not need to be resubmitted. For more information it is possible to contact: contact@aim-innovation.org

The Embassy of Montenegro in Warsaw kindly asks the Ministry of Foreign Affairs of the Republic of Lithuania that the above-given information is forwarded to the relevant institutions and kindly asks for the feedback information in due time whether there would be interest in participation.

The Embassy of Montenegro in Warsaw avails itself of this opportunity to renew to the Ministry of Foreign Affairs of the Republic of Lithuania the assurances of its highest consideration.

CALL FOR EXPRESSION OF INTEREST – HIGH-LEVEL INVESTMENT CONFERENCE

From Partnerships to Projects: Investing in Montenegro's European Future

Portonovi, Montenegro
20 – 21 October 2026

Dear Colleagues, Dear Partners,

We are pleased to invite expressions of interest to participate in **AIM 2026 – Montenegro Investment Conference**, *From Partnerships to Projects: Investing in Montenegro's European Future*, taking place on **20–21 October 2026** in Portonovi, Montenegro.

As Montenegro's flagship platform for connecting policy reform with international investment, AIM 2026 is co-organised by the Government of Montenegro and the European Commission, with the support of the Montenegrin Investment Agency. The conference comes at a defining moment for Montenegro, as expanding investment opportunities converge with the country's rapid progress towards European Union accession.

Building on the strong outcomes of AIM 2025 (including the signing of ten Memoranda of Understanding and the launch of four Sustainable Investment Partnerships), AIM 2026 marks a decisive shift from dialogue to delivery. The conference will focus on converting strategic commitments into investment-ready projects and fostering partnerships that support Montenegro's sustainable and inclusive economic development.

AIM 2026 will convene Ministers, senior representatives of the European Commission, leaders of international financial institutions, institutional investors, multilateral development banks, chief executives of leading international companies, and other distinguished stakeholders. Together, they will identify

practical measures to mobilise capital, accelerate project delivery and strengthen Montenegro's competitiveness on its path to European Union membership.

The programme will focus on strategic sectors including:

- Renewable energy and energy storage
- Sustainable agribusiness
- Tourism and wellness
- Transport and logistics
- Digital infrastructure and emerging technologies

Participation is by invitation and subject to confirmation. As places are limited, we invite you to express your interest by completing the registration form [via the link](#) or QR code below by **21 September 2026**.

We look forward to welcoming you to Montenegro and to your contribution in advancing sustainable investment, strengthening regional partnerships and shaping Montenegro's European future.

Accelerating Investment in Montenegro (AIM)

Call for Expressions of Interest – AIM Startup Competition

The **AIM Startup Competition** is the early-stage innovation pillar of the **Accelerating Investment in Montenegro (AIM)** programme, a joint initiative of the Government of Montenegro through the Montenegrin Investment Agency (MIA) and the European Union Delegation. It offers a **structured route from early-stage application to high-visibility exposure**, culminating at the **AIM Investment Conference on 20–21 October 2026** in Portonovi, Montenegro, where finalists pitch on the main stage and the winner receives an award presented by the Prime Minister of Montenegro, in the presence of EU representatives and international investors.

Who can apply?

Open globally to founder-led startups seeking to scale and engage with Montenegro's emerging investment ecosystem. Applicants should typically:

- Be **less than five years old** and have raised **less than EUR 5 million** in total funding to date.
- Operate in one of the following sectors: **agribusiness, energy, ICT, transport, or logistics**. Startups in adjacent sectors are also encouraged to apply.
- Be **founder-led**, with a founder actively involved in day-to-day management, and demonstrate ambition for growth and regional or international expansion.

Competition tracks

The competition runs in **two tracks**, with applicants assessed only against peers within their own track. Both tracks are assessed on the same criteria and the same scoring scale:

- **Seed Track:** pre-funding to early-traction ventures with little or no capital raised (indicatively up to EUR 500,000).
- **Growth Track:** ventures with demonstrated traction that have raised more than EUR 500,000 and **less than EUR 5 million**.

What finalists receive?

Five to eight finalists are pre-selected from across both tracks and pitch on the main stage before 300+ participants — the Prime Minister, ministers, the EU Delegation, investors and corporates. The winner will:

- **Gain** high-level visibility at the AIM Investment Conference;
- **Receive** facilitated access to the AIM investor network and financing partners;
- **Access** a complimentary coworking space for two years via the Science and Technology Park of Montenegro (NTP);
- **Earn** a place in a structured 12-month AIM accelerator programme.

Process & submission

Applications combine a standardised slide deck, a short video pitch (2–3 min), and an online form, and are scored on innovation, team, market, and traction & viability by a jury of AIM institutional and ecosystem partners.

Deadline extended: to allow additional time to prepare, **apply by 1 September 2026, 23:00 CET** via the online form by [clicking here](#). Applications already submitted remain valid and do not need to be resubmitted.
