

WELCOME to the NORTHERN EUROPE SEMINAR on 20th November 2014 in Kaunas

Kaunas Chamber of Commerce, Industry, Crafts and Leinonen Group kindly invite you to our common Northern Europe Seminar at Europa Royale Hotel Kaunas!

The seminar will provide interesting and useful information for Lithuanian companies and entrepreneurs about managing business operations in Finland, Sweden and Norway. We concentrate on topics related to establishing a new business, taking care of accounting requirements, taxation and payroll related issues. In addition, we seek to point out business cultural differences between Lithuania, Finland, Norway and Sweden.

We highly encourage Lithuanian companies to enter Northern European markets, but to be well prepared.

The seminar language will be English!
