EU - ASEAN Business Networks

The European Association for Business and Commerce (EABC) is an EU funded project based in Bangkok, Thailand. The EABC serves to represent European businesses in Thailand as well as to facilitate the enhancement of trade and investment between Thailand and the EU, in particular by providing assistance to European SMEs looking to do business in Thailand and the ASEAN region. <http://www.eabc-thailand.eu/>

EIBN results of a partnership between EKONID, EuroCham Indonesia, IFCCI, INA, BritCham, EUROCHAMBRES and CCI Barcelona, a project initiated and co-funded by the European Commission. The Network pools their expertise and experience to attract EU businesses from all Member States to the Indonesian market and directly support their activities in the country through business support services. <http://www.eibn.org/>

EU-Philippines Business Network (EPBN) is a partnership of eight chambers of commerce operating in Manila. The objective of the EPBN is to help European enterprises and SMEs access business opportunities, and to drive European trade and investment into the Philippines. <http://epbn.ph/>

EU-Malaysia Chamber of Commerce and Industry (EUMCCI) promotes, supports and develops EU business interests in Malaysia as well as facilitates trade, commerce and investments between EU and Malaysia. Together with partner organisations it implements the Support for European Business in Southeast Asian Markets (SEBSEAM) project, which is co-funded by the European Commission. <http://www.eu-sme.my/>

The EU-Vietnam Business Network (EVBN) is a project co-funded by the EU and launched in October 2013. The overall objective of EVBN is to increase exports and investments of the European Union (EU) to Vietnam in particular by Small and Medium Enterprises (SMEs) as well as strengthening the EU Business sector in Vietnam. <http://evbn.org/>
