Mr. K. Masalskis

Dear Mr. Masalskis,

The 11th Annual International Conference on Investments Attraction to the Automotive Component Industry AutoInvest®2017 is being held on March 14—16, 2017 in Saint Petersburg.

The Conference is traditionally supported by the Ministry of Industry and Trade of the Russian Federation and the Government of Saint Petersburg. Strategic partners of the Conference are the Federal State Unitary Enterprise Central Scientific Research Automobile and Automotive Engine Institute of the Russian Federation and National Association of Automotive Components Manufacturers.

For 10 years the Conference unites professionals of the automobile and automotive components industries in the one place. The AutoInvest Conferences give an opportunity to establish a constructive dialogue between automotive components manufacturers, OEMs and government. For the past years more than 2500 delegates from Russia and international community took part in the AutoInvest® Conferences. Experts in the automotive manufacturing recognized importance of AutoInvest® as a leading event in the area of the Russian automotive industry development and business cooperation in the automotive market.

In 2017 business agenda of the AutoInvest® Conference will be focused on the 5 main issues such as:

1. Prospects of enlargement of the Russian automotive export.
2. Opportunities to use alternative fuels: gas-fuel vehicles, electric cars, unmanned vehicles.
3. Industry 4.0.
4. Cluster development of the automotive industry.
5. Sales strategies and automobiles service technologies.
